

Ohio's Evidence-based Intervention Training for Education (EBITE)

Fall Workshop Brief Syllabus July

October 6 – November 7, 2023

WORKSHOP GOALS

1. Strengthen capacity for State Support Teams (SSTs) and Regional Data Leads (RDLs) to assist schools/districts in using evidence-based interventions (EBIs) to improve student/school outcomes.
2. Gain hands-on experience using the *Ohio Evidence-based Clearinghouse* and inform development of *Ohio's EBI Decision-Making Toolkit*.
3. Reinforce skills/knowledge around school/district needs and decision-making processes when selecting and implementing EBIs.

SYLLABUS – TOPICS AND ACTIVITIES

DAY 1: Friday, October 6, 2023 (10:00 am – 2:00 pm)

Links between school/district needs, data, and intervention goals

- Introductions: EBITE team and participants
- Definitions: EBIs, ESSA evidence-quality, *Ohio's EBI Decision Making Toolkit*
- Capacity assessments, intervention and data needs, building SMART Goals
- Gallery/Data Walk
- Mini Share-out and Q&A

DAY 2: Tuesday, October 10, 2023 (10:00 am – 2:00 pm)

Searching for Interventions

- Exploring clearinghouses for Academic/Cognitive and Behavioral/non-Cognitive Interventions
- Importance of school context and school resources
- Assessing match between interventions and local capacity
- Decide on an intervention to work with for remainder of workshop
- Mini Share-out and Q&A

DAY 3: Friday, November 3, 2023 (10:00 am – 2:00 pm)

Planning for Implementation

- Assuring intervention fit to context, social justice, and equity needs
- Building Logic Models
- Logic Model Walk
- Mini Share-out and Q&A

DAY 4: Tuesday, November 7, 2023 (10:00 am – 2:00 pm)

Putting it all together: Intervention Fidelity and Monitoring

- Intervention monitoring and fidelity tools
- Cycling back to the data - assessing outcomes, rapid cycle evaluation
- Mini Share-out
- Final Q&A
